BIROL GROWTH CONSULTING AWARDED 2008 NEO SUCCESS AWARD

Andy Birol is now three-time NEO Success Award winner

Cleveland, OH – March 1, 2008– Andy Birol of Birol Growth Consulting has received the 2008 NEO Success Award presented by Northeast Ohio's *Inside Business Magazine* for the third year. Birol's business, Birol Growth Consulting, is consistently recognized as one of Northeastern Ohio's greatest small businesses and he continues to receive accolades for business growth year after year. Visit www.andybirol.com for more information.

Birol is a small business consultant, author, speaker and coach who has advised more than 350 nationwide business owners on business growth and development, pricing, sales and marketing, and succession planning

"It is an honor to be recognized by my peers for successful business growth," stated Birol. "I continue to apply the *Five Catalysts of Business Growth* to my own business and maintain sustained business growth. These principals are the foundations of my own accomplishments and have helped me 'Get ThereSM successfully."

By focusing on the role of the owner as the "fuel" that drives a firm, Andy speaks to hundreds of groups of entrepreneurs on six continents, helping thousands to determine how they want to Get There, clarify or discover their Best and Highest Use[®] (BHU) and achieve sustained and profitable growth. On average, Andy has grown his clients by \$100,000, thus having a \$35 million impact on the economy.

Inside Business awards the NEO Success Award to companies recognized as Northeast Ohio's most successful. The award originated with area businesses wanting to showcase business success in the Northeastern Ohio region encompassing all 17 counties. Awards are given to recognize those companies who demonstrate growth, profitability and stability.
